EXPERIENCE

Web Development & Designing Intern

The Sparks Foundation

📅 August 2021 – September 2021

- Created a website where payment gateway is integrated
- Hosted the Website on Github

PROJECTS

Payment Gateway Integration

- Developed a website where payment gateway is integrated
- Added a donate button on homepage. On clicking the donate button, the user will land on the payment page where user can select the amount to be paid and the payment type
- Once the payment is done, invoice is generated and email will be sent to the user for the payment received.

Project : TSF Project

Github Repo : ahzams/TSFProject

My Portfolio

- Developed a portfolio website
- It provides professional information about me and a showcase of my work

Project : Ahzam - Portfolio

Github Repo : ahzams/My Portfolio

Domino's Clone

- Developed a clone website of Domino's
- Provides almost all the features of original website

Project : Domino's

Github Repo : ahzams/Domino's Clone
